

What information do I need to know as a data subject?

You are invited to participate in a research study that is conducted by the Institute for Cognitive Science and Technologies (ISTC) of the National Research Council.

You are accessing the study by logging in with your Prolific Id. This is the only information researchers will obtain from you by Prolific. The data you share with Prolific are anyhow treated in full compliance with [GDPR](#). The study will be carried out as an online survey programmed in oTree. Any personal data about you will be collected through the survey responses provided by you. That is, we do not obtain information about you from any other sources than you. Your personal data will not be used for automated decision-making including profiling.

Data

To carry out this processing operation the following categories of personal data may be processed:

- Socio-demographic information (age, gender, educational-level, income);
- Responses to the questions included in the survey.

All data collected will be treated in accordance with the European regulation on the protection of personal data ([General Data Protection Regulation, GDPR 2016/679](#)) and the analogous regulation in force in Italy (Codice Novellato in Matter of Protection of Personal Data, Legislative Decree 30 June 2003, n. 196). In compliance with these regulations, we inform you that:
